

STATEMENT OF PURPOSE

RS28085 / H0128

As of January 1, 2021, the federal odometer law that exempts mileage disclosure on a vehicle due to its age changed from ten years to twenty.

This proposal modifies the duplicate title and transfer process in Idaho Code to align with federal odometer law changes by removing the ten (10)-year exemption reference and accounting for the twenty-year mileage exemption, beginning with the 2011 model year.

FISCAL NOTE

There is no fiscal impact because the legislation does not affect any fees. The legislation only adds an odometer reporting step to a small amount of title transactions.
